Fannie Mae®

Guaranteed REMIC Pass-Through Certificates

Fannie Mae REMIC Trust 2026-12

The Certificates

We, the Federal National Mortgage Association (Fannie Mae), will issue the classes of certificates listed in the chart on this cover and on Schedule 1.

Payments to Certificateholders

We will make monthly payments on the certificates. You, the investor, will receive

- interest accrued on the balance of your certificate (except in the case of the accrual classes), and
- principal to the extent available for payment on your class.

We will pay principal at rates that may vary from time to time. We may not pay principal to certain classes for long periods of time.

The Fannie Mae Guaranty

We will guarantee that required payments of principal and interest on the certificates are available for distribution to investors on time.

The Trust and its Assets

The trust will own

- UMBS and
- Fannie Mae underlying REMIC and RCR certificates.

The mortgage loans backing the assets specified in the preceding paragraph are first-lien, fixed-rate, single-family loans.

Class	Group	Original Class Balance(\$)	Principal Type(1)	Interest Rate(%)	Interest Type(1)	CUSIP Number	Final Distribution Date
FA	1	344,691,571	PT	(2)	FLT	3136BYK50	March 2056

R(5)		0	NPR	0	NPR	3136BYL83	March 2056

(1) See "Description of the Certificates - Class Definitions and Abbreviations" in the REMIC prospectus and "Description of the Certificates - General - *Notional Class Abbreviations*" in this prospectus supplement. See also "Additional Risk Factors" and "Description of the Certificates" in this prospectus supplement for a description of the related trust assets and information regarding their payment characteristics.
(2) Based on SOFR.

(3) See "Summary - Notional Classes" for a description of how the notional principal balances are calculated.
(4) Exchangeable class.
(5) This class is a "residual interest" as further described herein.

If you own certificates of the E Class, you can exchange them for certificates of the corresponding RCR classes to be delivered at the time of exchange. The EA, EB, EC, ED and IE Classes are the RCR classes. For a description of the RCR classes, see Schedule 1 attached to this prospectus supplement and "Description of the Certificates-Combination and Recombination-RCR Certificates" in the REMIC prospectus.

The dealer will offer the certificates from time to time in negotiated transactions at varying prices. We expect the settlement date to be February 27, 2026.

Carefully consider the discussion under "Risk Factors" in the REMIC prospectus and under "Additional Risk Factors" in this prospectus supplement. Unless you understand and are able to tolerate these risks, you should not invest in the certificates.

You should read the REMIC prospectus as well as this prospectus supplement.

The certificates, together with interest thereon, are not guaranteed by the United States and do not constitute a debt or obligation of the United States or any agency or instrumentality thereof other than Fannie Mae.

The certificates are exempt from registration under the Securities Act of 1933 and are "exempted securities" under the Securities Exchange Act of 1934.

J.P. Morgan

The date of this Prospectus Supplement is February 24, 2026

AVAILABLE INFORMATION

You should purchase the certificates only if you have read and understood this prospectus supplement and the following documents:

- our Prospectus for Fannie Mae Guaranteed Single-Family REMIC Pass-Through Certificates dated May 1, 2023 (the "REMIC Prospectus");
- our Prospectus for Fannie Mae Guaranteed Mortgage Pass-Through Certificates (Single-Family Residential Mortgage Loans) dated December 1, 2025, or such earlier version of that prospectus in effect at the time of issuance of the related MBS (the "Fannie Mae MBS Prospectus"); and
- any information incorporated by reference in this prospectus supplement as discussed below and under the heading "Incorporation by Reference" in the REMIC Prospectus.

In addition, you should purchase the following certificates or a Residual Certificate only if you have read and understood the documents specified below:

- if you are purchasing a Group 1, Group 2 or Group 5 Class, the following documents:
 - our Prospectus for Fannie Mae Guaranteed UMBS Pass-Through Securities, dated May 1, 2023 (the "Fannie Mae Supers Prospectus");
 - Freddie Mac's Offering Circular for UMBS and MBS, dated May 2, 2025 (as supplemented or amended from time to time, the "Freddie Mac UMBS Offering Circular");
 - Freddie Mac's Mirror Certificates Offering Circular, dated April 12, 2019 (as supplemented or amended from time to time, the "Freddie Mac Mirror Certificates Offering Circular"); and
 - Freddie Mac's Offering Circular for Supers, Giant MBS and other Pass-Through Certificates, dated August 1, 2025 (as supplemented or amended from time to time, the "Freddie Mac Supers Offering Circular"); and
- if you are purchasing a Group 3, Group 4 or Group 6 Class, the disclosure documents relating to the applicable underlying REMIC and RCR certificates (the "Fannie Mae Underlying REMIC Disclosure Documents").

The Freddie Mac UMBS Offering Circular, the Freddie Mac Mirror Certificates Offering Circular and the Freddie Mac Supers Offering Circular are collectively referred to as the "Freddie Mac Disclosure Documents." The REMIC Prospectus, the Fannie Mae MBS Prospectus, the Fannie Mae Supers Prospectus, the Fannie Mae Underlying REMIC Disclosure Documents and the Freddie Mac Disclosure Documents are collectively referred to as the "Disclosure Documents."

For a description of current servicing policies generally applicable to existing Fannie Mae MBS pools, see "Yield, Maturity, and Prepayment Considerations" in the Fannie Mae MBS Prospectus dated December 1, 2025.

The Fannie Mae MBS Prospectus, the Fannie Mae Supers Prospectus and the Fannie Mae Underlying REMIC Disclosure Documents are incorporated by reference in this prospectus supplement. This means that we are disclosing information in those documents by referring you to them. Those documents are considered part of this prospectus supplement, so you should read this prospectus supplement, and any applicable supplements or amendments, together with those documents.

You can obtain copies of the Disclosure Documents by writing or calling us at:

Fannie Mae
MBS Helpline
1100 15th Street, NW
Washington, D.C. 20005
(telephone 800-2FANNIE).

In addition, the Disclosure Documents (other than any Freddie Mac Disclosure Documents), together with the class factors for any MBS or other underlying securities issued and guaranteed by Fannie Mae, are available through PoolTalk® at <https://fanniemae.mbs-securities.com>.

The applicable Freddie Mac Disclosure Documents, together with the class factors for any UMBS or other underlying securities issued and guaranteed by Freddie Mac, are available on the Freddie Mac corporate website at www.freddiemac.com.

You also can obtain copies of the Disclosure Documents by writing or calling the dealer at:

J.P. Morgan Securities LLC
c/o Broadridge Financial Solutions
Prospectus Department
1155 Long Island Avenue
Edgewood, NY 11717
(telephone 631-274-2635).

SUMMARY

This summary contains only limited information about the certificates. Statistical information in this summary is provided as of February 1, 2026. You should purchase the certificates only after reading this prospectus supplement and each of the additional disclosure documents listed on page S-3. In particular, please see the discussion of risk factors that appears in each of those additional disclosure documents.

Assets Underlying Each Group of Classes

<u>Group</u>	<u>Assets</u>
1	UMBS
2	UMBS
3	Fannie Mae Class 2015-33-Z REMIC Certificate Fannie Mae Class 2016-40-ZC REMIC Certificate Fannie Mae Class 2025-23-EM REMIC Certificate

5	UMBS
6	Fannie Mae Class 2025-9-A REMIC Certificate Fannie Mae Class 2025-40-EA RCR Certificate

Group 1, Group 2 and Group 5

Characteristics of the Trust UMBS

	<u>Approximate Principal Balance</u>	<u>Pass- Through Rate</u>	<u>Range of Weighted Average Coupons or WACs (annual percentages)</u>	<u>Range of Weighted Average Remaining Terms to Maturity or WAMs (in months)</u>
Group 1	\$ 344,691,571.00	6.00%	6.25% to 8.50%	241 to 360
Group 2	\$ 125,929,864.00	5.50%	5.75% to 8.00%	241 to 360
Group 5	\$ 84,734,508.94 (1)	2.50%	2.75% to 5.00%	234 to 360

(1) See Exhibit A-2 to this prospectus supplement for a list of the related Pool Numbers and certain assumed characteristics of the underlying mortgage loans.

Assumed Characteristics of the Underlying Mortgage Loans

	<u>Principal Balance</u>	<u>Original Term to Maturity (in months)</u>	<u>Remaining Term to Maturity (in months)</u>	<u>Loan Age (in months)</u>	<u>Interest Rate</u>
Group 1	\$ 344,691,571.00	360	341	14	6.930%
Group 2	\$ 125,929,864.00	360	352	5	6.510%
Group 5	\$ 84,734,508.94	360	279 (1)	63 (1)	3.311% (1)

(1) Represent weighted average values. See Exhibit A-2 to this prospectus supplement.

The actual remaining terms to maturity, loan ages and interest rates of most of the mortgage loans underlying the trust UMBS will differ from those shown above, and may differ significantly. See "Risk Factors — Risks Relating to Yield and Prepayment — *Yields on and weighted average lives of the certificates are affected by actual characteristics of the mortgage loans backing the series trust assets*" in the REMIC Prospectus.

Group 3, Group 4 and Group 6

Exhibit A-1 describes the underlying REMIC and RCR certificates in Group 3 and Group 4 and Exhibit A-3 describes the underlying REMIC and RCR certificates in Group 6, including certain information about the related mortgage loans. To learn more about the underlying REMIC and RCR certificates, you should obtain from us the current class factors and the related disclosure documents as described on page S-3.

Settlement Date

We expect to issue the certificates on February 27, 2026.

Distribution Dates

We will make payments on the certificates on the 25th day of each calendar month, or on the next business day if the 25th day is not a business day.

Record Date

On each distribution date, we will make each monthly payment on the certificates to holders of record at the close of business on the last business day of the preceding month.

Book-Entry and Physical Certificates

We will issue the classes of certificates in the following forms:

Fed Book-Entry

All classes of certificates other than the R Class

Physical

R Class

Exchanging Certificates Through Combination and Recombination

If you own certificates of a class designated as "exchangeable" on the cover of this prospectus supplement, you will be able to exchange them for a proportionate interest in the related RCR certificates. Schedule 1 lists the available combination of the certificates eligible for exchange and the related RCR certificates. You can exchange your certificates by notifying us and paying an exchange fee. We will deliver the RCR certificates upon such exchange.

We will apply principal and interest payments from the exchanged REMIC certificates to the corresponding RCR certificates, on a pro rata basis, following any exchange.

Interest Rates

During each interest accrual period, the fixed rate classes will bear interest at the applicable annual interest rates listed on the cover of this prospectus supplement or on Schedule 1.

During the initial interest accrual period, the floating rate and inverse floating rate classes will bear interest at the initial interest rates listed below. During each subsequent interest accrual period, the floating rate and inverse floating rate classes will bear interest based on the formulas indicated below, but always subject to the specified maximum and minimum interest rates:

<u>Class</u>	<u>Initial Interest Rate</u>	<u>Maximum Interest Rate</u>	<u>Minimum Interest Rate</u>	<u>Formula for Calculation of Interest Rate(1)</u>
FA	4.66221%	6.00%	1.00%	SOFR + 100 basis points
SA	1.33779%	5.00%	0.00%	5.00% - SOFR
FB	4.51020%	6.50%	0.85%	SOFR + 85 basis points
SB	1.98980%	5.65%	0.00%	5.65% - SOFR

(1) We will establish the applicable benchmark rate as described under "Description of the Certificates - Distributions of Interest."

Notional Classes

The notional principal balances of the notional classes specified below will equal the percentages of the outstanding balances specified below immediately before the related distribution date:

Class

SA 100% of the FA Class

SB 100% of the FB Class

IE 33.3333329753% of the E Class

Distributions of Principal

For a description of the principal payment priorities, see "Description of the Certificates-Distributions of Principal" in this prospectus supplement.

Weighted Average Lives (years)*

* Determined as specified under "Yield, Maturity and Prepayment Considerations - Weighted Average Lives and Final Distribution Dates" in the REMIC Prospectus.

ADDITIONAL RISK FACTORS

Credit rating downgrades could adversely affect the certificates. In August 2023, Fitch Ratings Inc. downgraded our long-term issuer default and senior unsecured debt ratings, and on May 19, 2025, following its downgrade of the credit rating of the U.S. Government, Moody's Investors Service Inc. downgraded our long-term senior unsecured debt rating and changed our outlook from "negative" to "stable." On January 9, 2026, Moody's Investors Service Inc. published a Fannie Mae MBS program rating that aligned with the U.S. Government's long-term issuer rating and Fannie Mae's senior unsecured debt rating. The creditworthiness of the U.S. Government and of Fannie Mae itself may significantly affect the perceived creditworthiness of the certificates. If the foregoing ratings determinations or any future downgrades of our credit ratings impair the perception of our guaranty in the market, the market value or liquidity of the certificates could be adversely affected.

Modifications to the terms of key conservatorship agreements may adversely affect our business, the mortgage market and the market value of the certificates. The effects of recent and any potential future modifications to the terms of the senior preferred stock purchase agreement with Treasury and the senior preferred stock remain uncertain. Such modifications may adversely affect our results of business operations, the market for government-sponsored enterprise mortgage securities generally, and the market value of the certificates in particular. For information about recent changes to the senior preferred stock purchase agreement and the senior preferred stock, prospective investors should review our Form 10-K filed with the SEC on February 11, 2026. See also "RISK FACTORS-RISKS RELATING TO CERTAIN CREDIT CONSIDERATIONS" in the REMIC Prospectus for additional considerations relating to conservatorship and Treasury's investment in us.

Borrowers may be eligible to refinance their mortgage loans under refinancing programs implemented by us from time to time, which may result in an accelerated rate of principal payments on your certificates. On April 28, 2021, FHFA announced a new refinance option, referred to as the RefiNow program, to encourage certain borrowers whose loans are acquired by us or by Freddie Mac to take advantage of a low interest rate environment to refinance their mortgage loans and thereby lower their mortgage rates and monthly mortgage payments. To be eligible under the program, borrowers must meet certain income, payment history, loan-to-value, debt-to-income and other criteria, and program parameters may be modified or expanded at any time. The RefiNow program is currently available to eligible borrowers whose mortgage loans are seasoned at least 12 months (measured from the original note date to the date of refinancing). Although we are unable to predict the effects of the RefiNow program on the mortgage loans underlying your certificates, it is possible the program may result in an increase in the rate of mortgage loan refinancings, which in turn could accelerate the rate of principal payments on your certificates. See "RISK FACTORS-RISKS RELATING TO YIELD AND PREPAYMENT" in the REMIC Prospectus and in the Fannie Mae MBS Prospectus.

The Group 1, Group 2 and Group 5 Classes will be backed by UMBS issued and guaranteed by either Fannie Mae or Freddie Mac, or a combination of the two, and, accordingly, may be subject to particular risks that may adversely affect the value of those classes. Although the UMBS backing the Group 1, Group 2 and Group 5 Classes are assumed to have the characteristics set forth in "Summary - Group 1, Group 2 and Group 5 - Characteristics of the Trust UMBS," the actual UMBS may not have been identified as of the date of this prospectus supplement. Because the actual UMBS may be issued and guaranteed by either Fannie Mae or Freddie Mac, or a combination of the two, investors should read and understand the risks set forth in the REMIC Prospectus relating to investment in certificates that are commingled. See "SUMMARY - Uniform Mortgage-Backed Securities," "RISK FACTORS-RISKS RELATING TO LIQUIDITY" and "RISK FACTORS-RISKS RELATING TO ALIGNMENT WITH FREDDIE MAC AND THE SINGLE SECURITY INITIATIVE" in the REMIC Prospectus.

Payments on the Group 3, Group 4 and Group 6 Classes will be affected by the characteristics of the related underlying REMIC and RCR certificates and the circumstances affecting the related underlying REMIC trusts. If you invest in a Group 3, Group 4 or Group 6 Class, your investment will be affected by the characteristics of the related underlying REMIC and RCR certificates and the circumstances affecting the related underlying REMIC trusts. You should obtain additional information about those characteristics and the underlying REMIC trusts by reviewing the current class factors in light of other information available in the related Fannie Mae Underlying REMIC Disclosure Documents. You may obtain those documents from us as described on page S-3.

As described in the related Fannie Mae Underlying REMIC Disclosure Documents, some or all of the underlying REMIC and RCR certificates may be affected by the following factors:

- they may be subject, in whole or in part, to priority sequences governing principal payments;
- they may receive principal payments subsequent in payment priority to at least one other class issued from the related underlying REMIC trusts, possibly for extended periods;
- their principal payments may be governed, in whole or in part, by principal balance schedules and, accordingly, they may be subject to principal payments at rates that are significantly faster or slower than would otherwise be the case;

- they may in turn be backed by further underlying REMIC and RCR certificates that are subject to one or more of the foregoing factors;
- their performance may be affected by prepayments and other changes affecting the assets of the underlying REMIC trusts; and
- they may have other significant characteristics relevant to your investment decision.

This prospectus supplement contains no information as to the following:

- whether the original payment priorities governing the underlying REMIC and RCR certificates remain in effect;
- whether the original principal balance schedules governing the underlying REMIC and RCR certificates remain in effect;
- whether any related support classes remain outstanding; or
- whether the underlying REMIC and RCR certificates otherwise have performed as originally anticipated.

DESCRIPTION OF THE CERTIFICATES

The material under this heading describes the principal features of the Certificates. You will find additional information about the Certificates in the other sections of this prospectus supplement, as well as in the additional Disclosure Documents and the Trust Agreement. If we use a capitalized term in this prospectus supplement without defining it, you will find the definition of that term in the applicable Disclosure Document or in the Trust Agreement.

General

Structure. We will create the Fannie Mae REMIC Trust specified on the cover of this prospectus supplement (the "Trust") pursuant to a trust agreement dated as of May 1, 2023 and a supplement thereto dated as of February 1, 2026 (the "Issue Date"). We will issue the Guaranteed REMIC Pass-Through Certificates (the "REMIC Certificates") pursuant to that trust agreement and supplement. We will issue the Combinable and Recombinable REMIC Certificates (the "RCR Certificates" and, together with the REMIC Certificates, the "Certificates") pursuant to a separate trust agreement dated as of May 1, 2023 and a supplement thereto dated as of the Issue Date (together with the trust agreement and supplement relating to the REMIC Certificates, the "Trust Agreement"). We will execute the Trust Agreement in our corporate capacity and as trustee (the "Trustee"). In general, the term "Classes" includes the Classes of REMIC Certificates and RCR Certificates.

The assets of the Trust will include:

- three groups of UMBS (the "Group 1 UMBS," "Group 2 UMBS" and "Group 5 UMBS" and together, the "Trust UMBS"), and
- three groups of REMIC and RCR certificates (the "Group 3 Underlying REMIC Certificates," the "Group 4 Underlying REMIC and RCR Certificates" and the "Group 6 Underlying REMIC and RCR Certificates," and together, the "Underlying REMIC and RCR Certificates") previously issued from the related Fannie Mae REMIC trusts (the "Underlying REMIC Trusts"), as further described in Exhibit A-1 and Exhibit A-3.

The Group 6 Underlying REMIC and RCR Certificates evidence direct or indirect beneficial ownership interests in certain UMBS; the remaining Underlying REMIC and RCR Certificates evidence direct or indirect beneficial ownership interests in certain Non-UMBS Fannie Mae Guaranteed Mortgage Pass-Through Certificates (the foregoing underlying assets, together with the Trust UMBS, the "MBS").

Each MBS represents a beneficial ownership interest in a pool of first-lien, one- to four-family ("single-family"), fixed-rate residential mortgage loans (the "Mortgage Loans") having the characteristics described in this prospectus supplement.

The Trust will elect to be treated as one or more "real estate mortgage investment conduits" (each, a "REMIC") under the Internal Revenue Code of 1986, as amended (the "Code"). See "Certain Additional Federal Income Tax Consequences" in this prospectus supplement.

Fannie Mae Guaranty. For a description of our guaranties of the Certificates and any underlying securities that are issued and guaranteed by Fannie Mae, see the related discussions appearing under the heading "Fannie Mae Guaranty" in the REMIC Prospectus, the Fannie Mae MBS Prospectus, the Fannie Mae Supers Prospectus and the Fannie Mae Underlying REMIC Disclosure Documents, as applicable. Our guaranties are not backed by the full faith and credit of the United States.

Characteristics of Certificates. Except as specified below, we will issue the Certificates in book-entry form on the book-entry system of the U.S. Federal Reserve Banks. Entities whose names appear on the book-entry records of a Federal Reserve Bank as having had Certificates deposited in their accounts are "Holders" or "Certificateholders."

Residual Certificates are issued in fully registered, certificated form. The "Holder" or "Certificateholder" of a Residual Certificate is its registered owner. A Residual Certificate can be transferred by sending it to the office of the Transfer Agent in Bethesda, Maryland or such other office as the Trustee may designate by notice to Holders from time to time. U.S. Financial Technology, LLC will be the initial Transfer Agent. We may impose a service charge for any registration of transfer of a Residual Certificate and may require payment to cover any tax or other governmental charge. See also "-Characteristics of Residual Certificates" below.

Authorized Denominations. We will issue the Certificates in the following denominations:

<u>Classes</u>	<u>Denominations</u>
Interest Only and Inverse Floating Rate Classes	\$100,000 minimum plus whole dollar increments
All other Classes (except the R Class)	\$1,000 minimum plus whole dollar increments

Notional Class Abbreviations. A parenthetical abbreviation used in connection with a Notional class indicates the principal type of the class or classes or trust assets used to calculate changes in the notional principal balance of the Notional class. For example, "NTL(PAC)" designates a Notional class whose notional principal balance is reduced based on the principal balance reductions of one or more PAC classes or trust assets.

The Trust UMBS

The Trust UMBS provide that principal and interest on the related Mortgage Loans are passed through monthly. The Mortgage Loans underlying the Trust UMBS are conventional, fixed-rate, fully-amortizing mortgage loans secured by first mortgages or deeds of trust on single-family residential properties. The Trust UMBS are backed directly or indirectly by Mortgage Loans having original maturities of up to 30 years.

For additional information, see "Summary- Group 1, Group 2 and Group 5 - Characteristics of the Trust UMBS" in this prospectus supplement and "The Mortgage Loan Pools" and "Yield, Maturity and Prepayment Considerations" in the Fannie Mae MBS Prospectus.

The Underlying REMIC and RCR Certificates

The Underlying REMIC and RCR Certificates represent beneficial ownership interests in the related Underlying REMIC Trusts. The assets of those trusts consist of MBS (or beneficial ownership interests in MBS) having the general characteristics set forth in the Fannie Mae MBS Prospectus. Each MBS evidences beneficial ownership interests in a pool of conventional, fixed-rate, fully-amortizing mortgage loans secured by first mortgages or deeds of trust on single-family residential properties, as described under "The Mortgage Loan Pools" and "Yield, Maturity and Prepayment Considerations" in the Fannie Mae MBS Prospectus.

In addition, the pools of Mortgage Loans backing the Group 3 Underlying REMIC Certificates and the Group 4 Underlying REMIC and RCR Certificates have been designated as pools that include "jumbo-conforming" or "high balance" mortgage loans as described further under "The Mortgage Loans-Mortgage Loans with Original Principal Balances Exceeding our Traditional Conforming Loan Limits" in the Fannie Mae MBS Prospectus dated June 1, 2016. For periodic updates to that description, please refer to the Pool Prefix Glossary available on our website at www.fanniemae.com. For additional information about the particular pools backing the Group 3 Underlying REMIC Certificates and the Group 4 Underlying REMIC and RCR Certificates, see the Final Data Statement for the Trust and the related prospectus supplement for each MBS. See also "Risk Factors-Risks Relating to Yield and Prepayment-*"Jumbo-conforming" mortgage loans, which have original principal balances that exceed our traditional conforming loan limits, may prepay at different rates than conforming balance mortgage loans generally*" in the Fannie Mae MBS Prospectus dated June 1, 2016.

Distributions on the Underlying REMIC and RCR Certificates will be passed through monthly, beginning in the month after we issue the Certificates. The general characteristics of the Underlying REMIC and RCR Certificates are described in the related Fannie Mae Underlying REMIC Disclosure Documents. See Exhibit A-1 and Exhibit A-3 for certain additional information about the Underlying REMIC and RCR Certificates.

For further information about the Underlying REMIC and RCR Certificates, telephone us at 800-2FANNIE. Additional information about the Underlying REMIC and RCR Certificates is also available at <https://fanniemae.mbs-securities.com>. There may have been material changes in facts and circumstances since the dates we prepared the Fannie Mae Underlying REMIC Disclosure Documents. These may include changes in prepayment speeds, prevailing

interest rates and other economic factors. As a result, the usefulness of the information set forth in those documents may be limited.

Distributions of Interest

General. The Certificates will bear interest at the rates specified in this prospectus supplement. Interest to be paid on each Certificate (or added to principal, in the case of the Accrual Classes) on a Distribution Date will consist of one month's interest on the outstanding balance of that Certificate immediately prior to that Distribution Date. For a description of the Accrual Classes, see "*Accrual Classes*" below.

The Floating Rate and Inverse Floating Rate Classes will bear interest at interest rates based on SOFR. We will establish SOFR using "30-day Average SOFR," which is the compounded average of SOFR over a rolling 30-calendar day period as published on the FRBNY's Website, determined as described under "Description of the Certificates - Distributions on Certificates - *Interest Distributions* - SOFR" in the REMIC Prospectus. For additional information, see "Risk Factors-Risks Relating To Yield And Prepayment-*The Secured Financing Overnight Rate (SOFR) is a relatively new market index*" and "*Changes to, or elimination of, SOFR could adversely affect investors in the certificates*" in the REMIC Prospectus.

Delay Classes and No-Delay Classes. The "Delay" Classes and "No-Delay" Classes are set forth in the following table:

<u>Delay Classes</u>	<u>No-Delay Classes</u>
Fixed Rate Classes	Floating Rate and Inverse Floating Rate Classes

See "Description of the Certificates - Distributions on Certificates - *Interest Distributions*" in the REMIC Prospectus.

Accrual Classes. The AZ and BZ Classes are Accrual Classes. Interest will accrue on each Accrual Class at the applicable annual rate specified on the cover of this prospectus supplement. However, we will not pay any interest on the Accrual Classes. Instead, interest accrued on each Accrual Class will be added as principal to its principal balance on each Distribution Date. We will pay principal on the Accrual Classes as described under "Distributions of Principal" below.

Distributions of Principal

On the Distribution Date in each month, we will make payments of principal on the Classes of REMIC Certificates as described below. Following any exchange of REMIC Certificates for RCR Certificates, we will apply principal payments from the exchanged REMIC Certificates to the corresponding RCR Certificates on a pro rata basis.

• *Group 1*

The Group 1 Principal Distribution Amount to FA until retired.

The "Group 1 Principal Distribution Amount" is the principal then paid on the Group 1 UMBS.

• *Group 2*

The Group 2 Principal Distribution Amount as follows:

- 50% to FB until retired, and
- 50% to B and LB, in that order, until retired.

The "Group 2 Principal Distribution Amount" is the principal then paid on the Group 2 UMBS.

• *Group 3*

The Group 3 Principal Distribution Amount to EM until retired.

The "Group 3 Principal Distribution Amount" is the aggregate principal then paid on the Group 3 Underlying REMIC Certificates *minus* the aggregate amount of any interest then accrued and added to the principal balances of the Group 3 Underlying REMIC Certificates.

• *Group 4*

The AZ Accrual Amount to AJ until retired, and thereafter to AZ.

The Group 4 Cash Flow Distribution Amount to AJ and AZ, in that order, until retired.

The "AZ Accrual Amount" is any interest then accrued and added to the principal balance of the AZ Class.

The "Group 4 Cash Flow Distribution Amount" is the aggregate principal then paid on the Group 4 Underlying REMIC and RCR Certificates *minus* the aggregate amount of any interest then accrued and added to the principal balances of the Group 4 Underlying REMIC and RCR Certificates.

- *Group 5*

The BZ Accrual Amount in the following priority:

1. To BG and GB, pro rata, until retired.
2. Thereafter to BZ.

The Group 5 Cash Flow Distribution Amount in the following priority:

1. To BG and GB, pro rata, until retired.
2. To BZ until retired.

The "BZ Accrual Amount" is any interest then accrued and added to the principal balance of the BZ Class.

The "Group 5 Cash Flow Distribution Amount" is the principal then paid on the Group 5 UMBS.

- *Group 6*

The Group 6 Principal Distribution Amount to E until retired.

The "Group 6 Principal Distribution Amount" is the aggregate principal then paid on the Group 6 Underlying REMIC and RCR Certificates.

Structuring Assumptions

Pricing Assumptions. Except where otherwise noted, the information in the tables in this prospectus supplement has been prepared based on the actual characteristics of each pool of Mortgage Loans backing the Underlying REMIC and RCR Certificates, the applicable priority sequences governing principal payments on the Underlying REMIC and RCR Certificates, and the following assumptions (collectively, the "Pricing Assumptions"):

- the Mortgage Loans underlying the Group 1 UMBS and Group 2 UMBS have the original terms to maturity, remaining terms to maturity, loan ages and interest rates specified under "Summary- Group 1, Group 2 and Group 5 - Assumed Characteristics of the Underlying Mortgage Loans" in this prospectus supplement;
- the Mortgage Loans underlying the Group 5 UMBS have the assumed characteristics set forth in Exhibit A-2;
- the Mortgage Loans prepay at the constant percentages of PSA specified in the related tables;
- the settlement date for the Certificates is February 27, 2026; and
- each Distribution Date occurs on the 25th day of a month.

The actual remaining terms to maturity, loan ages and interest rates of most of the Mortgage Loans underlying the Trust UMBS will differ from the assumed characteristics shown in the Summary, and may differ significantly. See "Risk Factors - Risks Relating to Yield and Prepayment - *Yields on and weighted average lives of the certificates are affected by actual characteristics of the mortgage loans backing the series trust assets*" in the REMIC Prospectus.

Prepayment Assumptions. The prepayment model used in this prospectus supplement is PSA. For a description of PSA, see "Yield, Maturity and Prepayment Considerations-Prepayment Models" in the REMIC Prospectus. It is highly unlikely that prepayments will occur at any *constant* PSA rate or at any other *constant* rate.

Yield Tables

General. The tables below illustrate the sensitivity of the pre-tax corporate bond equivalent yields to maturity of the applicable Classes to various constant percentages of PSA and, where specified, to changes in the applicable index. **The tables below are provided for illustrative purposes only and are not intended as a forecast or prediction of the actual yields on the applicable Classes.** We calculated the yields set forth in the tables by

- determining the monthly discount rates that, when applied to the assumed streams of cash flows to be paid on the applicable Classes, would cause the discounted present values of the assumed streams of cash flows to equal the assumed aggregate purchase prices of those Classes, and
- converting the monthly rates to corporate bond equivalent rates.

These calculations do not take into account variations in the interest rates at which you could reinvest distributions on the Certificates. Accordingly, these calculations do not illustrate the return on any investment in the Certificates when reinvestment rates are taken into account.

We cannot assure you that

- the pre-tax yields on the applicable Certificates will correspond to any of the pre-tax yields shown here, or
- the aggregate purchase prices of the applicable Certificates will be as assumed.

In addition, it is unlikely that the applicable index will correspond to the levels shown here. Furthermore, because some of the Mortgage Loans are likely to have remaining terms to maturity shorter or longer than those assumed and interest rates higher or lower than those assumed, the notional principal balance reductions on the Certificates are likely to differ from those assumed. This would be the case even if all Mortgage Loans prepay at the indicated constant percentages of PSA. Moreover, it is unlikely that

- the Mortgage Loans will prepay at a constant PSA rate until maturity,
- all of the Mortgage Loans will prepay at the same rate, or
- the level of the applicable index will remain constant.

The Inverse Floating Rate Classes. The yields on the Inverse Floating Rate Classes will be sensitive in varying degrees to the rate of principal payments (including prepayments) of the related Mortgage Loans and to the level of the applicable index. The Mortgage Loans generally can be prepaid at any time without penalty. In addition, the rate of principal payments (including prepayments) of the Mortgage Loans is likely to vary, and may vary considerably, from pool to pool. As illustrated in the applicable tables below, it is possible that investors in the Inverse Floating Rate Classes would lose money on their initial investments under certain index and prepayment scenarios.

Changes in the applicable index may not correspond to changes in prevailing mortgage interest rates. It is possible that lower prevailing mortgage interest rates, which might be expected to result in faster prepayments, could occur while the level of the index increased.

The information shown in the following yield tables has been prepared on the basis of the Pricing Assumptions and the assumptions that

- the interest rates for the Inverse Floating Rate Classes for the initial Interest Accrual Period are the rates listed in the table under "Summary-Interest Rates" in this prospectus supplement and for each following Interest Accrual Period will be based on the specified levels of the applicable index, and
- the aggregate purchase prices of those Classes (expressed in each case as a percentage of original notional principal balance) are as follows:

<u>Class</u>	<u>Price*</u>
SA.....	2.87500%
SB.....	6.28125%

* The prices do not include accrued interest. Accrued interest has been added to the prices in calculating the yields set forth in the tables below.

In the following yield tables, the symbol * is used to represent a yield of less than (99.9)%.

Sensitivity of the SA Class to Prepayments and SOFR

(Pre-Tax Yields to Maturity)

<u>SOFR</u>	<u>PSA Prepayment Assumption</u>							
	<u>50%</u>	<u>100%</u>	<u>350%</u>	<u>501%</u>	<u>800%</u>	<u>1050%</u>	<u>1300%</u>	<u>1550%</u>
1.83110%.....	126.0%	122.4%	103.7%	91.7%	66.2%	42.5%	15.8%	(16.1)%
3.66221%.....	46.4%	43.2%	26.4%	15.6%	(7.6)%	(29.6)%	(55.1)%	(86.7)%
4.33110%.....	19.9%	16.8%	0.5%	(10.0)%	(32.8)%	(54.6)%	(80.5)%	*

4.6551%.....	11.5%	8.7%	(7.2)%	(21.7)%	(31.7)%	(46.0)%	(61.3)%
5.6500%.....	*	*	*	*	*	*	*

The Fixed Rate Interest Only Class. The yield to investors on the Fixed Rate Interest Only Class will be very sensitive to the rate of principal payments (including prepayments) of the related Mortgage Loans. The Mortgage Loans generally can be prepaid at any time without penalty. On the basis of the assumptions described below, the yield to maturity on the Fixed Rate Interest Only Class would be 0% if prepayments of the related Mortgage Loans were to occur at the following constant rate:

<u>Class</u>	<u>%PSA</u>
IE	337%

If the actual prepayment rate of the related Mortgage Loans were to exceed the level specified for as little as one month while equaling that level for the remaining months, the investors in the Fixed Rate Interest Only Class would lose money on their initial investments.

The information shown in the following yield table has been prepared on the basis of the Pricing Assumptions and the assumption that the aggregate purchase price of the Fixed Rate Interest Only Class (expressed as a percentage of the original notional principal balance) is as follows:

<u>Class</u>	<u>Price*</u>
IE	14.9375%

* The price does not include accrued interest. Accrued interest has been added to the price in calculating the yields set forth in the table below.

In the following yield table, the symbol * is used to represent a yield of less than (99.9)%.

Sensitivity of the IE Class to Prepayments

	<u>PSA Prepayment Assumption</u>							
	<u>50%</u>	<u>100%</u>	<u>350%</u>	<u>562%</u>	<u>850%</u>	<u>1150%</u>	<u>1450%</u>	<u>1700%</u>
Pre-Tax Yields to Maturity.....	35.5%	30.5%	(1.9)%	(34.1)%	(76.4)%	*	*	*

Weighted Average Lives of the Certificates

For a description of how the weighted average life of a Certificate is determined, see "Yield, Maturity and Prepayment Considerations -Weighted Average Lives and Final Distribution Dates" in the REMIC Prospectus.

In general, the weighted average lives of the Certificates will be shortened if the level of prepayments of principal of the related Mortgage Loans increases. However, the weighted average lives will depend upon a variety of other factors, including

- the timing of changes in the rate of principal distributions,
- the priority sequences of distributions of principal of the Group 2, Group 4 and Group 5 Classes, and
- in the case of the Group 3, Group 4 and Group 6 Classes, the applicable priority sequences governing principal payments on the related Underlying REMIC and RCR Certificates.

See "-Distributions of Principal" above and "Description of the Certificates-Distributions of Principal" in the applicable Fannie Mae Underlying REMIC Disclosure Documents.

The effect of these factors may differ as to various Classes and the effects on any Class may vary at different times during the life of that Class. Accordingly, we can give no assurance as to the weighted average life of any Class. Further, to the extent the prices of the Certificates represent discounts or premiums to their original principal balances, variability in the weighted average lives of those Classes of Certificates could result in variability in the related yields to maturity. For an example of how the weighted average lives of the Classes may be affected at various constant prepayment rates, see the Decrement Tables below.

Decrement Tables

The following tables indicate the percentages of original principal balances of the specified Classes that would be outstanding after each date shown at various constant PSA rates, and the corresponding weighted average lives of those Classes. The tables have been prepared on the basis of the Pricing Assumptions.

In the case of the information set forth for each Class in the specified Groups under 0% PSA, however, we assumed that the Mortgage Loans have the original and remaining terms to maturity and bear interest at the annual rates specified in the table below.

<u>Mortgage Loans Backing Trust Assets Specified Below</u>	<u>Original Terms to Maturity</u>	<u>Remaining Terms to Maturity</u>	<u>Interest Rates</u>
Group 1 UMBS	360 months	360 months	8.50%
Group 2 UMBS	360 months	360 months	8.00%
Group 5 UMBS	(1)	(1)	(1)

(1) See Exhibit A-2 to this prospectus supplement.

It is unlikely that all of the Mortgage Loans will have the loan ages, interest rates or remaining terms to maturity assumed, or that the Mortgage Loans will prepay at any *constant* PSA level.

In addition, the diverse remaining terms to maturity of the Mortgage Loans could produce slower or faster principal distributions than indicated in the tables at the specified constant PSA rates, even if the weighted average remaining term to maturity and the weighted average loan age of the Mortgage Loans are identical to the weighted averages specified in the Pricing Assumptions. This is the case because pools of loans with identical weighted averages are nonetheless likely to reflect differing dispersions of the related characteristics.

† In the case of a Notional Class, the Decrement Table indicates the percentage of the original notional principal balance outstanding.

Characteristics of Residual Certificates

A Residual Certificate will be subject to certain transfer restrictions. See "Description of the Certificates-Special Characteristics of the Residual Certificates" and "Material Federal Income Tax Consequences-Taxation of Beneficial Owners of Residual Certificates" in the REMIC Prospectus.

Treasury Department regulations (the "Regulations") provide that a transfer of a "noneconomic residual interest" will be disregarded for all federal tax purposes unless no significant purpose of the transfer is to impede the assessment or collection of tax. A Residual Certificate will constitute a noneconomic residual interest under the Regulations. Having a significant purpose to impede the assessment or collection of tax means that the transferor of a Residual Certificate had "improper knowledge" at the time of the transfer. See "Description of the Certificates-Special Characteristics of the Residual Certificates" in the REMIC Prospectus. You should consult your own tax advisor regarding the application of the Regulations to a transfer of a Residual Certificate.

CERTAIN ADDITIONAL FEDERAL INCOME TAX CONSEQUENCES

The Certificates and payments on the Certificates are not generally exempt from taxation. Therefore, you should consider the tax consequences of holding a Certificate before you acquire one. The following tax discussion supplements the discussion under the caption "Material Federal Income Tax Consequences" in the REMIC Prospectus. When read together, the two discussions describe the current federal income tax treatment of beneficial owners of Certificates. These two tax discussions do not purport to deal with all federal tax consequences applicable to all categories of beneficial owners, some of which may be subject to special rules. In addition, these discussions may not apply to your particular circumstances for one of the reasons explained in the REMIC Prospectus. For purposes of this discussion, each REMIC Certificate other than a Residual Certificate is referred to as a "Regular Certificate." You should consult your own tax advisors regarding the federal income tax consequences of holding and disposing of Certificates as well as any tax consequences arising under the laws of any state, local or foreign taxing jurisdiction.

REMIC Status and Special Tax Attributes

We will make one or more REMIC elections with respect to the Trust. For additional information regarding REMIC elections, see "Description of the Certificates - Special Characteristics of the Residual Certificates - *REMIC Tiers*" in the REMIC Prospectus. The REMIC Certificates and any related RCR Certificates generally will be treated as "regular or residual interests in a REMIC" for domestic building and loan associations, as "real estate assets" for real estate investment trusts, and, except for any Residual Certificate, as "qualified mortgages" for other REMICs. See "Material Federal Income Tax Consequences-REMIC Election and Special Tax Attributes" in the REMIC Prospectus.

Taxation of Beneficial Owners of Regular Certificates

Original Issue Discount. As described under "Material Federal Income Tax Consequences-Taxation of Beneficial Owners of Regular Certificates-*Treatment of Original Issue Discount*" in the REMIC Prospectus, a Regular Certificate that is an Accrual Class, Notional Class or Principal Only Class will be treated as issued with original issue discount ("OID"). In addition, the BG and GB Classes will be issued with OID, and certain other Classes of Regular Certificates may be issued with OID. If a Class is issued with OID, a beneficial owner of a Certificate of that Class generally must recognize some taxable income in advance of the receipt of the cash attributable to that income. In addition, certain Classes of Regular Certificates may be treated as having been issued at a premium. See "Material Federal Income Tax Consequences-Taxation of Beneficial Owners of Regular Certificates-*Regular Certificates Purchased at a Premium*" in the REMIC Prospectus.

The Prepayment Assumptions that will be used in determining the rate of accrual of any OID will be as follows:

Group	Prepayment Assumption
1	501% PSA
2	370% PSA
3	98% PSA
4	103% PSA
5	108% PSA
6	562% PSA

See "Material Federal Income Tax Consequences-Taxation of Beneficial Owners of Regular Certificates-*Treatment of Original Issue Discount*" in the REMIC Prospectus. No representation is made as to whether the Mortgage Loans

underlying the MBS will prepay at any particular rate. See "Description of the Certificates-Weighted Average Lives of the Certificates" in this prospectus supplement and "Yield, Maturity and Prepayment Considerations- Weighted Average Lives and Final Distribution Dates" in the REMIC Prospectus.

Regulations under Code Section 451(b). As described under "Material Federal Income Tax Consequences - Taxation of Beneficial Owners of Regular Certificates" in the REMIC Prospectus, the Tax Cuts and Jobs Act ("TCJA") amended Code section 451(b) to require that a holder of Regular Certificates using the accrual method of accounting generally include amounts in income with respect to a Regular Certificate no later than the time such amounts are reflected on certain financial statements of such holder. On December 21, 2020, the IRS and the U.S. Treasury released final regulations that exclude from this rule any item of gross income for which a taxpayer uses a special method of accounting permitted or required by certain sections of the Code, including, in general, income subject to the timing rules for original issue discount, income under the contingent payment debt instrument rules, income under the variable rate debt instrument rules, income and gain associated with an integrated transaction, de minimis original issue discount, accrued market discount, and de minimis market discount. Prospective purchasers of Regular Certificates using the accrual method of accounting are advised to consult their own tax advisors regarding the application of the TCJA and the final Treasury regulations to their particular situation.

Taxation of Beneficial Owners of Residual Certificates

The Holder of a Residual Certificate will be considered to be the holder of the "residual interest" in the related REMIC. Such Holder generally will be required to report its daily portion of the taxable income or net loss of the REMIC to which that Certificate relates. In certain periods, a Holder of a Residual Certificate may be required to recognize taxable income without being entitled to receive a corresponding amount of cash. Pursuant to the Trust Agreement, we will be obligated to provide to the Holder of a Residual Certificate (i) information necessary to enable it to prepare its federal income tax returns and (ii) any reports regarding the Residual Certificate that may be required under the Code. See "Material Federal Income Tax Consequences- Taxation of Beneficial Owners of Residual Certificates" in the REMIC Prospectus.

The One Big Beautiful Bill Act ("OBBBA"), which was enacted on July 4, 2025, suspends with limited exceptions Code section 67 and replaces the overall limitation on deductions in section 68 with a modified limitation on such deductions beginning in 2026. As a result, a Residual Owner that is an individual, trust or estate is unable to take certain itemized deductions described in Code sections 67 and 68. Prospective purchasers of a Residual Certificate are advised to consult their own tax advisors regarding the application of the OBBBA to their particular situation.

Taxation of Beneficial Owners of RCR Certificates.

The RCR Classes will be created, sold and administered pursuant to an arrangement that will be classified as a grantor trust under subpart E, part I of subchapter J of the Code. The Regular Certificates that are exchanged for RCR Certificates set forth in Schedule 1 (including any exchanges effective on the Settlement Date) will be the assets of the trust, and the RCR Certificates will represent an ownership interest of the underlying Regular Certificates. For a general discussion of the federal income tax treatment of beneficial owners of Regular Certificates, see "Material Federal Income Tax Consequences" in the REMIC Prospectus.

Generally, the ownership interest represented by an RCR certificate will be one of two types. A certificate of a Combination RCR Class (a "Combination RCR Certificate") will represent beneficial ownership of undivided interests in one or more underlying Regular Certificates. A certificate of a Strip RCR Class (a "Strip RCR Certificate") will represent the right to receive a disproportionate part of the principal or interest payments on one or more underlying Regular Certificates. See the column headed "Tax Classification" on Schedule 1 for the classification of each RCR Certificate as a Combination RCR Certificate or Strip RCR Certificate, and see "Material Federal Income Tax Consequences-Taxation of Beneficial Owners of RCR Certificates" in the REMIC Prospectus for a general discussion of the federal income tax treatment of beneficial owners of RCR Certificates.

ERISA CONSIDERATIONS

Fiduciaries of an employee benefit plan should review "ERISA Considerations" in the REMIC Prospectus.

NOTICE TO EUROPEAN ECONOMIC AREA INVESTORS

The Certificates are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any EU retail investor in the European Economic Area ("EEA"). For these purposes, "EU retail investor" means a person who is one (or more) of: (a) a retail client as defined in Point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MIFID II"); (b) a customer within the meaning of Directive (EU) 2016/97 (as amended), where that customer would not qualify as a professional client as defined in Point (10) of Article 4(1) of MIFID II; or (c) not a qualified investor ("EU Qualified Investor") as defined in Article 2 of Regulation (EU) 2017/1129 (as amended, the "EU Prospectus Regulation").

Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "EU PRIIPs Regulation") for offering or selling the Certificates or otherwise making them available to EU retail investors in the EEA has been prepared and therefore offering or selling the Certificates or otherwise making them available to any EU retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

The REMIC Prospectus as supplemented by this prospectus supplement is not a prospectus for purposes of the EU Prospectus Regulation and has been prepared on the basis that any offer of the Certificates in the EEA will be made only to EU Qualified Investors. Accordingly any person making or intending to make an offer of the Certificates in the EEA may do so only with respect to EU Qualified Investors. Neither Fannie Mae nor the Dealer has authorized, nor do they authorize, the making of any offer of the Certificates in the EEA other than to EU Qualified Investors.

NOTICE TO UNITED KINGDOM INVESTORS

The Certificates are not intended to be offered, sold or otherwise made available to, and should not be offered, sold or otherwise made available to, any UK retail investor in the United Kingdom ("UK"). For these purposes, "UK retail investor" means a person who is neither: (i) a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014, as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended, the "EUWA"); nor (ii) a qualified investor ("UK Qualified Investor") as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024 (as amended, the "POATRs").

Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended), as it forms part of UK domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Certificates or otherwise making them available to UK retail investors in the UK has been prepared, and therefore offering or selling the Certificates or otherwise making them available to any UK retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

The REMIC Prospectus as supplemented by this prospectus supplement is not a prospectus for purposes of the POATRs and has been prepared on the basis that any offer of the Certificates in the UK will be made only to UK Qualified Investors. Accordingly, any person making or intending to make an offer of the Certificates in the UK may do so only with respect to UK Qualified Investors. Neither Fannie Mae nor the Dealer has authorized, nor do they authorize, the making of any offer of the Certificates in the UK other than to UK Qualified Investors.

Within the UK, the distribution of the REMIC Prospectus and this prospectus supplement is directed only at persons who (a) are authorized to carry on a regulated activity under the UK Financial Services and Markets Act 2000 (as amended, "FSMA"), (b) have professional experience in matters relating to investments and who qualify as investment professionals in accordance with Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the "FPO"), (c) are persons falling within Article 49(2) of the FPO, or (d) are persons in the UK who may otherwise lawfully receive this prospectus supplement (together, "Exempt Persons"). It may not be passed on except to Exempt Persons or other persons in circumstances in which Section 21(1) of FSMA does not apply to the issuer (all such persons together being referred to as "Relevant Persons"). In the UK, the REMIC Prospectus as supplemented by this prospectus supplement must not be acted on or relied on by persons who are not Relevant Persons. Any investment or investment activity to which the REMIC Prospectus relates, including the Certificates, is available only to Relevant Persons and will be engaged in only with Relevant Persons. Any persons other than Relevant Persons should not act or rely on the REMIC Prospectus or this prospectus supplement.

Potential investors in the UK are advised that all, or most, of the protections afforded by the UK regulatory system will not apply to an investment in the Certificates and that compensation will not be available under the UK Financial Services Compensation Scheme.

EUROPEAN AND UK SECURITIZATION RULES

Regulation (EU) 2017/2402 (as amended and supplemented, the "EU Securitization Regulation") has direct effect in member states of the European Union (the "EU") and has been implemented by national legislation in other countries in the EEA.

In the UK, the legislative framework for securitizations is contained in rules and regulations collectively referred to herein as the "UK Securitization Rules," which includes: (i) the Securitisation Regulations 2024 (the "UK Securitisation Regulations 2024"); (ii) the Securitisation Sourcebook in the UK Financial Conduct Authority's Handbook of rules and guidance; (iii) the Securitisation Part of the UK Prudential Regulation Authority's Rulebook; and (iv) relevant provisions of FSMA related to the foregoing.

Our counsel, Katten Muchin Rosenman UK LLP, has advised us that an investment in the certificates does not constitute acquiring a position in a "securitization" as defined in Article 2(1) of the EU Securitization Regulation or as defined in Article 3(1) of the UK Securitisation Regulations 2024. Accordingly, we are not required, and do not intend, to make any representation or agreement that we or any other party is undertaking or will have undertaken to comply (or to take or refrain from taking any action to facilitate compliance) with any requirements of (a) the EU Securitization

Regulation; (b) the UK Securitization Rules; or (c) any other law or regulation now or hereafter in effect in any member state of the EU or of the EEA or in the UK in relation to credit risk retention, due diligence and transparency, credit granting standards or other conditions with respect to investments in securitization transactions. Each prospective investor is responsible for analyzing its own regulatory position and should consult with its own legal, accounting and other advisors regarding the suitability of an investment in the Certificates and compliance with any such law or regulation.

PLAN OF DISTRIBUTION

We are obligated to deliver the Certificates to J.P. Morgan Securities LLC (the "Dealer") in exchange for the Trust UMBS and the Underlying REMIC and RCR Certificates. The Dealer proposes to offer the Certificates directly to the public from time to time in negotiated transactions at varying prices to be determined at the time of sale. The Dealer may effect these transactions to or through other dealers.

LEGAL MATTERS

Katten Muchin Rosenman LLP will provide legal representation for Fannie Mae. Cleary Gottlieb Steen & Hamilton LLP will provide legal representation for the Dealer.

Group 3 Underlying REMIC Certificates

<u>Issuer and Guarantor</u>	<u>Underlying REMIC Trust</u>	<u>Class</u>	<u>Date of Issue</u>	<u>CUSIP Number</u>	<u>Interest Rate(%)</u>	<u>Interest Type(1)</u>	<u>Final Distribution Date</u>	<u>Principal Type(1)</u>	<u>Original Certificate Balance of Contributed Portion of Class(\$)(2)</u>	<u>February 2026 Class Factor</u>	<u>Certificate Balance in the Trust(\$)</u>
Fannie Mae	2015-33	Z	May 2015	3136APBW1	3.00	FIX/Z(3)	June 2045	SEQ	13,799,452	0.51232708	7,069,832.95

Fannie Mae	2025-9	A	February 2025	3136BVDE5	5.00	FIX	July 2051	SEQ	39,292,207	0.90151752	35,422,613.01
Fannie Mae	2025-40	EA	May 2025	3136BWS8	5.00	FIX	February 2053	SEQ	62,303,338	0.92561821	57,669,104.20

(1) See "Description of the Certificates-Class Definitions and Abbreviations" in the REMIC Prospectus.

(2) Represents the original certificate balance corresponding to the portion of the related class contributed to the Trust.

* Information regarding the approximate weighted average coupon, months to maturity and loan age of the Mortgage Loans indirectly backing an underlying REMIC or RCR certificate issued and guaranteed by Fannie Mae may be obtained by reviewing the applicable "COLLATERAL WA INTEREST RATE," "COLLATERAL WA REMAINING MONTHS TO MATURITY" and "COLLATERAL WA LOAN AGE" disclosed for the assets backing the underlying REMIC or RCR certificate on PoolTalk® at <https://fanniemae.mbs-securities.com>.

REMIC Certificates		Available Recombination(1) RCR Certificates							
Class	Original Balance(\$)	RCR Classes	Original Balances(\$)	Principal Type(2)	Interest Rate(%)	Interest Type(2)	CUSIP Number	Final Distribution Date	Tax Classification(4)
Recombination 1*									
E	93,091,717	EA	93,091,717	SC/PT	3.00	FIX	3136BYY89	February 2053	(5)
		EB	93,091,717	SC/PT	3.50	FIX	3136BYY97	February 2053	(5)
		EC	93,091,717	SC/PT	4.00	FIX	3136BYZ21	February 2053	(5)
		ED	93,091,717	SC/PT	4.50	FIX	3136BYZ39	February 2053	(5)
		IE	31,030,572 (3)	NTL(SC/PT)	6.00	FIX/IO	3136BYZ47	February 2053	(5)

- (1) REMIC Certificates and RCR Certificates in each Recombination may be exchanged only in the proportions of *original* principal or notional principal balances for the related Classes shown in this Schedule 1 (disregarding any retired Classes). For example, if a particular Recombination includes two REMIC Classes and one RCR Class whose *original* principal balances shown in the schedule reflect a 1:1:2 relationship, the same 1:1:2 relationship among the *original* principal balances of those REMIC and RCR Classes must be maintained in any exchange. This is true even if, as a result of the applicable payment priority sequence, the relationship between their *current* principal balances has changed over time. Moreover, if as a result of a proposed exchange, a Certificateholder would hold a REMIC Certificate or RCR Certificate of a Class in an amount less than the applicable minimum denomination for that Class, the Certificateholder will be unable to effect the proposed exchange. See "Description of the Certificates-General- *Authorized Denominations*" in this prospectus supplement.
- (2) See "Description of the Certificates-Class Definitions and Abbreviations" in the REMIC Prospectus and "Description of the Certificates - General - *Notional Class Abbreviations*" in this prospectus supplement. See also "Additional Risk Factors" and "Description of the Certificates" in this prospectus supplement for a description of the related trust assets and exchangeable certificates and information regarding their characteristics.
- (3) See "Summary - Notional Classes" for a description of how the notional principal balances are calculated.
- (4) See "Certain Additional Federal Income Tax Consequences - Taxation of Beneficial Owners of RCR Certificates" in this prospectus supplement.
- (5) This is a Class of Strip RCR Certificates.

* This is a "ratio-stripping" combination. See "Description of the Certificates-Combination and Recombination-RCR Certificates-*Additional Considerations and Limitations*" and "-*Special Considerations for Ratio-Stripping RCR Certificates*" in the REMIC Prospectus.

No one is authorized to give information or to make representations in connection with the Certificates other than the information and representations contained in or incorporated into this Prospectus Supplement and the additional Disclosure Documents. We take no responsibility for any unauthorized information or representation. This Prospectus Supplement and the additional Disclosure Documents do not constitute an offer or solicitation with regard to the Certificates if it is illegal to make such an offer or solicitation to you under state law. By delivering this Prospectus Supplement and the additional Disclosure Documents at any time, no one implies that the information contained herein or therein is correct after the date hereof or thereof.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved the Certificates or determined if this Prospectus Supplement is truthful and complete. Any representation to the contrary is a criminal offense.
